Thanks, right now, OLEM is thinking that April 29 or May 12 look like good dates. I can let OLEM know your preferences.

Hi Jackie -

Thanks for sending – I looked at the doodle poll but it didn't look like 'maybe' was an option, so I thought I'd send that to you – if you think we should respond to the poll as well let me know!

Bob – Maybe for Friday April 29, Friday May 6, Monday May 9 – he is a no for May 10 or 12 (although the  $12^{th}$  we could perhaps try to move things).

My schedule is about the same.

Thanks!

Maureen
